2. Refunds

FEES will not be refunded, except when a course is cancelled by the college.

A student may withdraw from a course without academic penalty up to the mid-term of the course. In such a case, no grade will be given. Students may withdraw in person in the Office of Continuing Education, Room 110A of the Administration Building or by letter. The date and time that the letter is received will be the official date and time of withdrawal. Telephone and other unofficial notices will not be ac-

cepted as notification of withdrawal or request for refund.

Refunds of tuition are made to eligible students as follows:

Withdrawal before second scheduled meeting 100%
Withdrawal before third scheduled meeting 80%
Withdrawal before fourth scheduled meeting 60%

No refunds are made after the fourth meeting of the course.

3. The courses announced in this bulletin are offered by the Massachusetts Division of State Colleges in cooperation with Boston State College. The Division of State Colleges through the Dean of Special Programs, reserves the right to cancel any course which does not have sufficient paid enrollments to be self-supporting.
4. Undergraduates may be granted a grade of "Incomplete" by the instructor for good and sufficient reason with the approval of the Dean of Special Programs or the Director of Continuing Education. Graduate students may be granted a grade of "Incomplete" by the instructor for good and sufficient reason with the approval of the Dean of Graduate Studies. The grade of "Incomplete" MUST BE made up within sixty (60) calendar days. Grades of "Incomplete" not changed in the allotted time revert to 0.0.
5. Under no circumstances may courses or academic status be changed from credit to audit and vice versa, after the *third* class meeting.
